

Motions for AGM 2019

As per By Laws Clause 13, 1 and 2

1. The method of selection shall be decided at the AGM
2. The election of selectors shall be as per the wishes of the members at the AGM

Motion 1 Selection policy as adopted for season 2018/2019 be the selection policy for season 2019/2020 with the exception of clause 13. (Clause is related more to election of selectors and as such I have included that in that motion)

Motion 2 There shall be 1 selector for each pennant side and the club coach to be a selector for all sides so that each side will be selected by the selector of the side and the coach. Election of selectors will be made on the last trial game before the commencement of the Bowls season. Any selector being a player in a higher or lower grade for 3 or more consecutive games will cease to be a selector and election of a new selector will be from that particular side to be made as soon as possible and preferably before the next selection meeting.
